Section II – Purpose

It is the purpose of this MOU to promote and provide for harmonious relations, cooperation, and understanding between the City and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstanding or differences which may arise under this MOU; and to set forth the understanding of the parties reached as a result of good faith negotiations.

Section III – Recognition

The City of Long Beach hereby recognizes the Police Officers' Association as the exclusive representative for employees in the basic and supervisory Police unit classification referenced in Appendix A of the Memorandum, subject to the right of an individual employee to represent himself/herself as provided in Government Code Section 3502.

Section IV - No Discrimination

- A. The parties mutually recognize and agree fully to protect the rights of all employees covered by this Memorandum of Understanding, and that all employees so covered shall have the right to join and participate in the lawful activities of the Association, and to exercise all rights expressly and impliedly set forth in Section 3500 et seq. of the Government Code of the State of California. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated against because of the exercise of these rights.
- B. The provisions of this Memorandum of Understanding shall be applied equally to all employees covered without favor or discrimination because of race, color, sex, age, creed, or religion, and in accordance with all applicable State and Federal Laws.
- C. The City and the Association agree that unit members will not be discriminated against because of membership or non-membership in employee organizations.

Section V - Employee Organization Rights and Responsibilities

A. Association Representation Responsibilities

The Association has the duty to fairly represent all members of the bargaining unit.

B. Board Member List

A current list of board members, including names and classifications shall be submitted to the Director of Human Resources. Any changes on this Board shall be submitted, with the same required information as stated above, to the Director of Human Resources within ten working days following such changes.

C. Dues and Benefit Deduction Program

1. During the term of this Agreement, upon receipt of an executed voluntary written authorization, the City shall deduct Association dues and benefit program premiums from the pay of employees represented by the Association. The form for this purpose shall be provided by the City and the amounts to be deducted for union dues shall be certified to the City by the appropriate Association official. For such purposes, the City shall charge the Association seven and one-half cents (\$.075) per deduction per employee per month.
2. The Association hereby agrees to indemnify and hold harmless the City for any loss or damages, claims or causes of action, arising from the operation of this provision of the Agreement. It is also agreed that neither any employee nor the Association shall have any claim for error against the City for any deductions made or not made, as the case may be.

D. Release Time

The City shall authorize the Association President and the Board of Directors union release time from their regularly scheduled duties. As used herein, union release time shall be authorized leave with pay to conduct full-time employee organization representation activities. Accumulated unused release time authorized in this paragraph will not be carried forward past the term of this agreement, unless the provisions of the MOU are extended by mutual agreement, in writing, while good faith negotiations to secure a new agreement are proceeding.
 - b. In addition to the 1,000 hours of release time allotted to the Association Board of Directors from the City, the bargaining unit members may volunteer hours from their individual accumulated unpaid holiday or banked overtime to be used by the Board members. Such donated hours may be used by Board members and union stewards. Use of hours by union stewards will require a minimum of seven (7) days prior notification. Donated hours will be carried over continuously.
4. The total time identified in paragraphs 2 and 3 above for President/Director release time shall not exceed 5000 hours. If necessary, the holiday hours deducted from members in paragraph 2 above will be reduced to ensure the 5000-hour maximum is not exceeded.

A maximum of six (6) holidays earned during the calendar year may be carried over from one calendar year to the next. Under no condition may more than 18 holidays be accumulated at any time.
- B. This change in holiday assignment will not apply to those employees whose primary assignments cause them to be involved with the courts or any City or County offices that are normally closed on holidays. The above mentioned employees will continue to take their holidays as they fall unless otherwise directed by the Division commander.

Every day appointed by the President of the United States or the Governor of the State of California to be a public holiday, or by the City Council of the City of Long Beach to be a City holiday.

For covered employees not on a holiday in lieu schedule, four personal holidays will be credited on January 1 each calendar year. Employees hired after January 1, will be credited with 1.24 personal holiday hours for each full pay period of said time. Thereafter, each January, they shall receive four personal holidays in the first pay period that begins in January.

Employees who leave the City having taken/not taken their personal holiday leave prior to earning it will have their separation pay debited/credited proportionately. For example, if an employee has taken all four personal holidays and retires on June 1, he/she shall owe the City 18.67 hours of pay for the personal holiday hours taken but not earned.

Employees on in-lieu schedules will continue to receive 13 holidays per year. Personal holiday leave will be requested by employees and granted by the department on an availability basis.

This also applies to Section IV - Holiday Accumulation.

Section VI - Use of Accumulated Sick Leave for Family Illness or Doctor/Dental Appointments

An employee shall be entitled to use a maximum of one-half (1/2) of the earned sick leave per calendar year for absence from duty to attend to his/her ill or injured child, parent, spouse or same-sex domestic partner. A maximum of two days may be used for personal doctor or dental appointments.

Section VII - Integral Part Trust (Post Employment Medical Benefits)

The City of Long Beach ("City") and the Long Beach Police Officers Association ("LBPOA") agree, in accordance with the Internal Revenue Service Private Letter Ruling (PLR-116685-99), to the establishment of a Post Employment Medical Benefits Program for each represented member, through the establishment of an Integral Part Trust. The purpose of the trust is to provide for reimbursement of medical expenses incurred upon retirement. Deposits into the account and subsequent withdrawals for medical expenses are governed by the Internal Revenue Code and IRS regulations.

Said Trust will be funded from the following sources:

- A. City and the LBPOA agree to the establishment of an Integral Part Trust plan account for each represented employee through the ICMA - Retirement Corporation. Said trust will be funded from the following sources:

Unused and accumulated carryover vacation and/or personal holiday that would be lost on December 31, 2003 will be deposited into the employee's plan account. This time will be paid at the employee's current hourly rate and this will be done on a pre-tax basis. Effective January 1, 2004, unused and accumulated carryover vacation and/or personal holiday must be used by the end of the calendar year and will no longer be deposited into the employee's plan account, unless specifically authorized by the Chief of Police and the City Manager.

- B. Upon retirement, portions of the employee's accumulated sick leave, which have been exclusively designated for payment of health and/or dental insurance premiums in accordance with Personnel Ordinance Section 2.10, may be deposited in the employee's plan account in accordance with the following:

1. If an employee chooses to remain in the City's health insurance program, the following payments will be made within the first month after the employee's retirement, from the employee's unused sick leave account, until the funds in the account are exhausted:

- a) The total amount of health and/or dental insurance premiums based on the employee's choice of City-provided plans will be paid from the employee's unused sick leave account.

- b) In addition to subsection A (1)(a) above, the City will deposit \$1,200 per year, on a pre-tax basis, into the employee's plan account within the first month after the employee's retirement. The amounts will come from the employee's unused sick leave account.

An employee who retires in any month other than December will receive a prorated amount based on the number of full months remaining in the calendar year after their retirement date. For example, if an employee retires June 30, of the year, \$600 will be deposited in the employee's plan account during the month of July ($\$1,200/12 \text{ months} = \$100 \times 6 \text{ months} = \600).

2. If an employee chooses to withdraw from the City's health and dental insurance programs, the City will make the following payments into the employee's plan account. These payments will come from the employee's unused sick leave account. The payments will be made within the first month after the employee's retirement and will be made on a pre-tax basis.

A minimum of \$6,840 per year, or \$100 per month plus an amount equal to the City's current employee contribution for health, dental, and life insurance, whichever is greater.

An employee who retires in any month other than December will receive a prorated amount based on the number of full months remaining in the calendar year after their retirement date.

In no event will the City pay any amount which exceeds the cash equivalent value of the employee's unused sick leave hours at the employee's effective retirement date.

- C. In accordance with current City policy, when a retiree withdraws from the City's health insurance program and is no longer participating as an employee or dependent, he/she will not be permitted to re-enroll at a later date.
- D. Nothing will preclude the City and the Association from negotiating a pre-tax contribution on the part of the City into the employee's plan account in future years.

ARTICLE FOUR

HEALTH INSURANCE BENEFITS

Section I - Health, Dental and Life Insurance

- A. The City shall contribute by way of obligation for health, dental and life insurance benefits, the maximum amounts indicated below, for employees in permanent full-time positions for the period starting:

Effective December 1, 2002 - \$535 per month

Effective December 1, 2003 - \$600 per month

The benefits for the various plans for the period December 1, 2003 through the term of the agreement and all employee payroll contributions will be as recommended by the Health Insurance Advisory Committee (the Committee) on August 7, 2003, and approved by the City Council on September 2, 2003.

If employees choose a health, dental or life benefit plan combination whose actual monthly cost is less than the maximum monthly amounts indicated above, the City shall account for the difference and hold the excess funds in a special account called the M.O.U. Trust Account. These funds will be held in the M.O.U. Trust Account and shall earn interest at the rate earned for the City's pooled investments.

In the event that the existing plan(s) premium rates increase, the additional funds to offset the higher rates will come from the funds available in the M.O.U. Trust Account. The amount taken from the M.O.U. Trust Account will be based on the recommendations made by the Health Insurance Advisory Committee, which also may include plan changes and payroll deduction changes. This will continue through each benefit year until September 30, 2004, or until such time as the excess funds in the M.O.U. Trust Account are depleted to zero. If at some point in time before November 30, 2004, the M.O.U. Trust Account is depleted to zero because of premium rate increases and the City's monthly contributions are insufficient to fully fund the plans at current benefit levels, the City will be the responsible party to fund the difference in order to maintain benefit levels for the various plans and all current payroll deductions as recommended by the Health Insurance Advisory Committee.

- B. The Association shall maintain one representative on the City's Health Insurance Advisory Committee (HIAC).

Each year the Health Insurance Advisory Committee meets to review the status and solvency of the health, dental and life insurance plans. They review plan costs and make recommendations on plan changes, benefit levels, payroll deductions, and deletion or addition of plans.

Example:

If one of the City's plans exhibits high utilization and has fewer members, it may experience rate increases that are much higher than the other plans. The Committee may evaluate several options including deletion of the plan, applying funds from the MOU Trust Account, increasing payroll deductions for those plan members, and/or making plan changes to decrease the premium costs.

Any benefit increases recommended by the Health Insurance Advisory Committee must be offset by other benefit changes and cannot increase the overall cost to the City beyond what is available in the MOU Trust Account or the City's contribution set forth in Section I A. above.

The Health Insurance Advisory Committee will recommend to the City Manager the benefits for the various plans and all employee payroll deductions for the period December 1, 2003 through November 30, 2004. The City Manager will forward these recommendations along with his recommendations to the City Council for approval.

Section II - Continuation of Health Insurance for Surviving Spouse and/or Eligible Dependents of Retired Employee

- A. Accumulated unused sick leave that has been designated for continuance of health insurance coverage by an employee who has retired shall, upon the death of the employee, be utilized for the purpose of continued payment by the City on the basic health insurance plan premium for the spouse and/or eligible dependents providing:
 - 1. The retired employee has an effective retirement date of July 1, 1983 or later; or
 - 2. The retired employee did not predecease the surviving eligible dependent prior to July 1, 1983.
- B. Said premium payment shall continue until:
 - 1. The spouse remarries;
 - 2. The dependent child becomes 19 or is no longer a full time student in an accredited educational institution as recognized by the City's indemnity health insurance carrier;
 - 3. The spouse becomes eligible for Medicare, at which time and in the same manner as those retirees and dependents subject to Section 2.11 of the

Personnel Ordinance, the premium payment will be adjusted to pay for the Medicare supplement plan underwritten by the City's indemnity insurance carrier;

4. There is insufficient accumulated unused sick leave to pay the required monthly premium.

For the term of this Agreement, the City shall continue to pay to PERS on behalf of each employee covered by this Agreement, an amount equal to nine-ninths (9/9) of his or her nine percent (9%) individual employee contribution.

Should an employee hired under Tier II, terminate service prior to retirement and elect to withdraw his/her retirement contributions from PERS, it is intended that the City will pay to the employee two percent (2%) and applicable interest of the employee's regular compensation for that portion of service worked between April 21, 1990 through June 29, 2001. Regular compensation includes applicable wages, skill pay, incentive pay, etc., but does not include overtime, employer contributions to deferred compensation, or other forms of compensation not subject to PERS.
